【News】 Announcement on the Shareholder Benefit Program for FY2025

CYBERDYNE Inc. (the “Company”) announces that the Meeting of the Board of Directors held today passed the resolution to conduct the Shareholder Benefit Program. Details are stated below.

1. Background of the Shareholder Benefit Program

Based on "Health and Welfare for All", one of the Sustainable Development Goals (SDGs) set forth by the United Nations, the Company and its subsidiaries (the “Group”) are promoting efforts to realize a society in which people suffering from physical disabilities due to illness or injury can continue to participate in social activities. As part of this initiative, since the fiscal year 2019, the Company has been offering Neuro HALFIT* to shareholders, holding at least one unit of shares with a special price to alleviate the physical and mental burden of illness and injury for shareholders and their families.

**Neuro HALFIT is a program designed to induce improvement of the brain-nerve-musculoskeletal function by using the world’s first Wearable Cyborg HAL by forming a healthy loop of neural signals. The program supports people who have difficulty standing, sitting, walking, or moving their limbs by themselves due to a decline in physical function from aging, diseases, or injuries.*

2. The Shareholder Benefit Program for the fiscal year 2025

[From June 2025 to May 2026]

The shareholder can choose one from the following two options once.
